Are you currently **employed** at ETH Zurich?

Yes No

If you would like the new **ETH Card with a new photograph**: Please send a passport photograph in digital form (e.g. in .jpg) to kanzlei@ethz.ch.

I am aware that ETH Zurich will compile all future academic data and documents under the new salutation and first name(s) supplied above. If I first registered under another salutation / first name(s), however, I understand that old data may partially remain.

* It is not possible to enter a third salutation or no salutation because the data which must be delivered each semester to the Federal Statistical Office require binary entries (Mr/Ms).
